ADVICE LETTER 2074-E / 1850-G
(U902-M)

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

SUBJECT: NEW FORM – NOTICE TO TENANTS OF REQUEST FOR TERMINATION OF ELECTRIC AND GAS SERVICE

San Diego Gas & Electric Company (SDG&E) hereby transmits for filing revisions applicable to its electric and gas tariffs as shown on Attachments A and B, respectively.

PURPOSE

This filing revises SDG&E's electric and gas sample forms to establish Form 101-2172, titled Notice to Tenants - Request for Termination of Gas and Electric Service.

DISCUSSION

In recent discussions with SDG&E, the Utility Consumers' Action Network (UCAN) highlighted a growing need to notify tenants, whose associated service account is held in the name of the landlord, of an impending shutoff to their electric or gas service at the request of the landlord. For various reasons, but due in large part to the recent downturn in the California real estate market, some landlords have unexpectedly requested service shut offs that left their current tenants in the dark. SDG&E would like to inform such customers of their options regarding the continuance of electric and gas service.

As such, SDG&E has established Form 101-2172, which will be left at the premise when a field technician takes a meter read to discontinue service for the landlord.¹ The notice provides tenants with the information necessary to determine whether they will continue service under their own name. SDG&E will discontinue service if no communication is received from the tenant within four days of issuing the notice.

This filing will not increase any rate or charge, cause the withdrawal of service, or conflict with any rate schedule or rule.

¹ Note: actual shut-off does not occur at this time.

EFFECTIVE DATE

SDG&E believes this Advice Letter is subject to Energy Division disposition and should be classified as Tier 2 (effective after staff approval) pursuant to GO 96-B. Therefore, SDG&E respectfully requests that the Advice Letter become effective April 24, 2009, thirty days from the date filed.
