III. MEMORANDUM ACCOUNTS  
NON-RESIDENTIAL SUBMETERING MEMORANDUM ACCOUNT (NRSMA)

1. Purpose: the purpose of the NRSMA is to record the incremental costs related to the implementation of SDG&E's non-residential customers sub-metering program.
2. Applicability: Pursuant to D.08-02-034, SDG&E is authorized to recover the incremental costs to implement a sub-metering program for its non-residential customers similar to the program established for PG&E in D. 07-09-004.
3. Accounting Procedure: The Utility shall maintain the NRSMA by making entries at the end of each month as follows:
  - a. A debit entry equal to the costs associated with the implementation of the Utility's sub-metering program for non-residential customers.
  - b. Interest shall be calculated on the average of the balance at the beginning of the month and the balance after entry 3.a, at a rate equal to one-twelfth of the interest rate on three-month Commercial Paper for the previous month, as reported in the Federal Reserve Statistical Release, H.15, or its successor publication.
4. Account Disposition: The recovery of the balance in the NRSMA shall be addressed in a Tier 3 advice letter filing as provided in the GRC Phase 2 decision (D.08-02-034).
