

SCHEDULE SE

Sheet 1

SERVICE ESTABLISHMENT CHARGE

APPLICABILITY

Applicable to all electric customers metered by the utility.

TERRITORY

Within the entire territory served by the utility.

RATE

Service establishment charge..... \$15.00

SPECIAL CONDITIONS

1. The service establishment charge provided for herein is in addition to the charges calculated in accordance with the applicable schedules and will be made each time an account is opened, including a turn-on or reconnection of electric service or a change of name on the account which requires an additional meter reading.

2005/2006 Winter Gas Initiative

During the period November 1, 2005 through April 30 2006, the Utility shall waive the reconnection fee for CARE customers pursuant to Ordering Paragraph 16 of D.05-10-044.

2. In the event that a change of account can be made without an additional meter reading, one-third of the above charge shall apply.
3. The service establishment charge is applicable to service established during regular working hours with more than four hours' advance notice. With less than four hours' advance notice, service will be established during regular working hours at twice the above charge.

SCHEDULE SE

SERVICE ESTABLISHMENT CHARGE

SPECIAL CONDITIONS (Continued)

- 4. Four times the above charge shall apply for service established at a specified time during regular workdays. This option must be requested with at least 24 hours' prior notice, and work must begin within 30 minutes after the time specified in the request.
- 5. Four times the above charge shall apply for service established at any time on Sundays or Holidays.
- 6. Four times the above charge shall be payable in advance for service establishment requiring any connection of utility wiring by the utility other than at the meter. This charge shall be applicable only under the following conditions:
 - a. A customer disconnected in accordance with Rule 11, Section C - Unauthorized Use and:
 - (1) The customer has been at the same service address for a minimum of ninety (90) days.
 - (2) The customer has had service cut "at the pole".
 - b. A customer disconnected in accordance with Rule 11, Section A - Non-Payment of Bills and:
 - (1) The customer has been at the same service address for a minimum of ninety (90) days.
 - (2) The customer is in arrears in excess of \$200.00.
 - (3) The customer has not granted the utility safe access to the meter after the utility has provided notification to the customer 24 hours in advance that if access is not granted, a disconnection charge equal to four times the Service Establishment Charge shall be applied.
 - (4) The customer has had service cut "at the pole".
- 7. The service establishment charge is not to be applied by customers of the utility to service rendered through submeters to tenants.
- 8. The utility may refuse to reconnect service if it is unable to arrange with the customer for a safe working environment for utility employees on the premises being served.
