Medical Baseline Allowance

To help people with special health needs, SDG&E offers Medical Baseline Allowances, which bill some energy use at the lowest residential rate.

San Diego Gas & Electric® is dedicated to providing safe and reliable energy. For people who depend on life support equipment or special environmental conditions, energy is essential. To help people with special health needs, SDG&E® offers Medical Baseline Allowances that provide additional regulated utility charges at the baseline rate, which can help keep energy costs down.

Here are the basics about Medical Baseline, what it is and how to apply for it. You'll also find a Medical Baseline application enclosed. To apply for the Medical Baseline Allowance, simply complete the form, have your doctor sign it and mail it to us at the address shown.

What is Medical Baseline Allowance?

Medical Baseline Allowance provides additional regulated utility charges at the baseline rate, which is the lowest rate for residential customers. It is not a discount or rebate.

The allowance received with Medical Baseline is 16.5 kWh per day and 0.822 therms per day.

Who Can Get Medical Baseline Allowance?

Anyone with a qualifying medical need can apply for Medical Baseline Allowance. To qualify, you or a full-time resident of your home must meet one of the following requirements:

- ▶ Require permanent space heating or air conditioning as a paraplegic, quadriplegic, hemiplegic, multiple sclerosis, scleroderma patient, or have a compromised immune system or a life threatening illness.

▶ Require one of the following devices:

- Aerosol tents
- Apnea monitors
- Hemodialysis machines
- Kidney dialysis machines
- Suction machines
- IPPB machines
- Electrostatic nebulizers
- Ultrasonic nebulizers
- Pressure pumps
- Pressure pads
- Compressors
- Electric nerve stimulators
- Motorized wheelchairs
- Iron lungs
- Respirators
- Oxygen concentrators

Some equipment does not qualify for Medical Baseline allowances, including whirlpool pumps, heating pads, vaporizers, humidifiers, pool or tank heaters, saunas or hot tubs.

How Do I Apply?

Applying for Medical Baseline is easy. First, complete the form. Next, have your doctor verify your medical condition, the need for the equipment, or both and then sign the form. Return it to SDG&E at the address on the form. Once we receive your application we'll review the information and if you qualify you'll have the additional Medical Baseline Allowance on your next bill.

If you move, your Medical Baseline Allowance can be transferred to your new address. Just give us a call and let us know.

What If I Pay My Landlord for My Energy?

You can apply for Medical Baseline even if you pay for your energy through your landlord or property owner. If your landlord or property owner provides a bill for energy, that bill will have the additional Medical Baseline Allowance.

Do I Have to Renew My Application?

Occasionally we may ask that you renew and update your Medical Baseline Allowance application. When we do this, we'll mail you a renewal notice.

Do I Have Other Responsibilities?

If you have Medical Baseline Allowance, you have some responsibilities.

While we do our best to avoid outages, we cannot guarantee that the power will always be on. Outages happen. SDG&E will attempt to notify you in advance of a state-directed power outage. However, if you require life support equipment, you should make arrangements for a back-up power supply in case of an outage. If you will be using a generator in case of an outage, state law requires that you call and notify us that you have a generator.

You are responsible for paying your SDG&E bill within 19 days of the date it is mailed to you. Call our Customer Service Center immediately if you think you may have difficulty paying your bill. If you do not pay your SDG&E bill on time or make suitable payment arrangements, your service could be shut off.

You also are responsible for notifying us if the medical equipment is no longer needed, or if the person using it no longer lives at the address where the allowance is given.

Other Helpful Services

SDG&E provides a variety of services that can help you with bill payments:
