Capacity Bidding Program Customer Contract

This Customer Contract ("Contract") is made and entered into by and between the following parties:

San Diego Gas & Electric Company, a California corporation, hereinafter referred to as "SDG&E" and _____, hereinafter referred to as "Customer", and jointly, or individually, referred to as "Parties" or "Party".

I. RECITALS

WHEREAS, Customer is herein requesting to take service pursuant to Schedule CBP, the Capacity Bidding Program ("Program"), a copy of which is attached hereto as Attachment C and incorporated herein by reference. Capitalized terms used herein but not defined herein shall have their meanings ascribed thereto in Schedule CBP.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

II. ELIGIBILITY

As a condition to participating in the Program, Customer shall meet the eligibility and qualification requirements set forth in Schedule CBP.

III. TERM

This Contract shall become effective when signed by both Parties, and remains effective unless terminated sooner by the terms herein. Customer must remain in the Program for a minimum of twelve (12) calendar months ("Minimum Term"), unless (a) the Program or this Contract expires earlier or (b) as set forth in Section VI below. After the expiration of the Minimum Term, Customer may terminate this Contract and its participation in the Program by submitting to SDG&E written notification of such termination, which termination shall be effective on the date that is the later of (i) the beginning of the calendar month that is immediately after the expiration of the Minimum Term, and (ii) the beginning of the calendar month that is closest to but at least thirty (30) calendar days after SDG&E receives such notification. Any such notification shall be delivered to SDG&E at the following address: SDG&E, 8335 Century Park Court, CP 12E, San Diego, CA 92123.

IV. MONTHLY NOMINATION

Customer shall submit monthly Load Reduction Nominations whereby Customer shall nominate the amount of load reduction for each operational month of the term and shall allocate such Nominated Load Reduction among one or more Products, all as set forth in and in accordance with Schedule CBP. Customer commits to reduce energy use as nominated by Customer pursuant to each such monthly Load Reduction Nomination.

V. PAYMENT

The Parties shall invoice one another, and make such payments to one another, as set forth in and in accordance with Schedule CBP.

VI. AGGREGATOR

Customer may, at any time, elect to participate in the Program via an Aggregator by submitting a "Notice to Add, Change or Terminate a Third-Party Aggregator for Capacity Bidding Program" (Form 142-05301) and designating an Aggregator therein. Customer must remain in the Program and with such designated Aggregator for the Minimum Term unless and until (a) the Program or this Contract expires or terminates prior to the

expiration of the Minimum Term or (b) the Aggregator Contract to which such designated Aggregator is a party with SDG&E terminates prior to the expiration of the Minimum Term, in which case the provisions of Rule 30 providing for such early termination of such Aggregator Contract shall control. Any change or termination of a designation of an Aggregator shall become effective the following month after receipt of a "Notice to Add, Change or Terminate an Aggregator for Capacity Bidding Program" (Form 142-05301) setting forth such change or termination.

Participation in the Program via an Aggregator, including the designation and termination of such Aggregator and its services, shall be subject to the terms and conditions of Schedule Capacity Bidding Program (CBP) and Electric Rule 30, Aggregators for Capacity Bidding Program.

SDG&E must receive a signed "Authorization To: Receive Customer Information or Act on a Customer's Behalf" from Customer prior to releasing Customer's electric usage data to any designated Aggregator. Subject to Customer authorization, for each request to release customer-specific electric usage data, SDG&E will provide a maximum of the most recent twelve (12) month's customer electric usage data (or all data available if Customer has less than twelve (12) month's usage history) to Customer, or such designated Aggregator. If Customer, or its designated Aggregator, requests this historic usage more than two (2) times per year for a specific service account, SDG&E shall have the ability to assess a processing charge if approved by the Commission.

To the extent Customer's designated Aggregator fails (or is deemed to have failed) to make a payment of any penalty amounts owed by such Aggregator to SDG&E in connection with the Program, Customer will be liable for its pro rata share any such amount, which pro rata share shall be based upon Customer's contribution to the Shortfall Energy Amount related to such failure.

VII. ASSIGNMENT

Customer shall not assign this Contract without prior written consent of SDG&E.

VIII. DISPUTE RESOLUTION

Any dispute that cannot be resolved between the Parties shall be settled by the means set forth in Schedule CBP. In any action in litigation to enforce or interpret any of the terms of this Contract, the prevailing party shall be entitled to recover from the unsuccessful party all costs, expenses (including expert testimony) and reasonable attorneys fees (including fees and disbursements of in-house and outside counsel) incurred therein by the prevailing party.

IX. DISCLAIMER OF WARRANTY

No promise, representation, warranty, or covenant not included in this Contract has been, or is relied on by either Party. Each Party has relied on its own examination of this Contract, the counsel of its own advisors, and the warranties, representations, and covenants in the Contract itself.

X. LIMITATION OF SDG&E'S LIABILITY

The limitations of liability set forth below in this Section X shall not apply to errors or omissions caused by willful misconduct, fraudulent conduct, or violations of law.

In no event shall SDG&E, its shareholders, directors, employees, agents or subcontractors (including, without limitation, suppliers of the Utility System) (collectively "SDG&E Parties") be liable to Customer for any claims, losses, liabilities or damage (including direct, indirect, consequential, special, incidental, or punitive damages under any other theories including, but not limited to, tort, contract, breach of warranty or strict liability) for (i) the design, manufacture, installation, operation, maintenance, performance or demonstration of the Utility System, or (ii) the acts or omissions of, or the performance or non-performance under any agreement with Customer by, any Aggregator designated by Customer pursuant to Section VI above. The "Utility System" includes any metering, meter communication equipment, Internet communication software, energy demand management software and related goods and services. SDG&E shall not be responsible for any business loss, actual or implied, as a result of the partial or complete failure of the Utility System to operate.

XI. COMPLIANCE WITH LAWS

The Parties shall comply with, and this Contract shall be subject to, the terms and conditions of Schedule CBP, and all applicable local, state and federal rules, regulations and laws, including, without limitation, if Customer designates an Aggregator pursuant to Section VI above, Rule 30, Aggregators for Capacity Bidding Program (CBP).

XII. COMMISSION CONTINUING AUTHORITY

This Contract shall at all times be subject to the Commission and to any changes or modification that the Commission may, from time to time, direct in the exercise of its jurisdiction.

Notwithstanding any other provision of this Contract, either Party shall have the right to unilaterally file with the Commission, pursuant to the Commission's rules and regulations, an application for a change in rates, charges, classification, or any rule, regulation, or agreement relating thereto.
