Resolution No. _____

Direct Access Customer Relocation/Replacement Declaration

1. Electric Energy Service Provider (ESP) Declaration

I, _____, state as follows:

1. I am an officer of _____ (*Name of ESP*)(“ESP”) authorized to make this declaration. I have personal knowledge of the matters set forth herein and if called upon as a witness could and would testify competently thereto.

2. Under the provisions of the Agreement, the Customer has the right to receive direct access service from ESP for electric service loads located at the Current Location service address under the service accounts identified below and at the New Location. “Current Location” means one or more existing customer sites where the electric load of one or more customer accounts is currently being served under direct access, or is eligible for direct access service. “New Location” means either (1) the Current Location site or sites after the facilities have been refurbished, reconstructed or remodeled or (2) a different site or sites from the Current Location(s) which has been newly acquired or constructed by customer, at which the customer intends to accommodate all or part of the relocated business and operations from the Current Location(s). A New Location may not include bundled service accounts which have been in the customer’s name for more than ninety (90) days; provided, however, that for affidavits submitted during the sixty (60) day transition period beginning January 18, 2005, after the effective date of Resolution E-3872, a customer may include bundled accounts acquired or constructed by the customer after September 20, 2001.

3. All conditions of the Agreement necessary for a transfer of electric service from Customer’s Current Location to New Location have been satisfied, including any necessary approvals by ESP.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this ____ day of _____, _____ at _____, _____ [city, state].

2. Customer Declaration

I, _____, state as follows:

1. I am an authorized representative of _____ (“Customer”) and I am authorized to make this declaration.
2. I have personal knowledge of the matters set forth herein and if called upon as a witness could and would testify competently thereto.
3. Customer seeks to transfer its electric service from Current Location, as noted on the attached form, to New Location. This replacement or relocation is in the normal course of business. “Current Location” means one or more existing customer sites where the electric load of one or more customer accounts is currently being served under direct access, or is eligible for direct access service. “New Location” means either (1) the Current Location site or sites after the facilities have been refurbished, reconstructed or remodeled or (2) a different site or sites from the Current Location which has been newly acquired or constructed by customer, at which the customer intends to accommodate all or part of the relocated business and operations from the Current Location(s). A New Location may not include bundled service accounts which have been in the customer’s name for more than ninety (90) days; provided, however, that for affidavits submitted during the sixty (60) day transition period beginning January 18, 2005, after the effective date of Resolution E-3872, a customer may include bundled accounts acquired or constructed by the customer after September 20, 2001.
4. Customer agrees to maintain, and make available to the California Public Utilities Commission upon request, all records since at least September 20, 2001, associated with its electricity service and consumption at Current Location and New Location, including, but not limited to, the applicable meter and account numbers, and the associated direct access load.

2. **Customer Declaration** (Continued)

5. If the New Location is at a different site from the Current Location, Customer agrees to (check one):

Close its account(s) at Current Location on _____ [expected date].

Return its account(s) at Current Location to bundled service on _____ [expected date].

Split the load on the account(s) at Current Location as follows. (Identify service account number(s) in the space below)

6. Customer understands that continuous direct access status pursuant to Ordering Paragraph 4 of CPUC Decision 02-11-022 (exemption from paying the DWR components of the DA Cost Responsibility Surcharge) will transfer to a relocation/replacement account only if each account at the Current Location(s) being combined for the relocation/replacement account qualifies as continuous direct access. If the customer elects to combine a number of accounts that do not qualify as continuous direct access, then the relocation/replacement account will not qualify as continuous direct access.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this ___ day of _____, _____ at _____, _____ [city, state].
