Resolution No. _____

Six Month Notice to Return to Bundled Portfolio Service

This completed form notifies SDG&E of your intent to transfer your service account(s) to Bundled Portfolio Service (BPS). Customers choosing to transfer to bundled service for a term longer than 60 days must provide a six-month advance notice to the utility prior to becoming eligible for BPS. Customers electing BPS service make an eighteen-month commitment and will not be eligible to transfer to Direct Access (DA) service until the conclusion of the eighteen-month minimum term. At the end of the eighteen-month term, non-residential customers may have the option to transfer to DA service or remain on bundled Service.

Please consider this my notice to transfer the account(s) listed below to utility bundled service. For non-residential customers, the service accounts(s) retain DA eligibility and may have an opportunity to transfer to DA when my BPS commitment expires. I understand the rules and conditions as set forth in SDG&E's Electric Rule 25.1¹. I have three (3) business days after SDG&E receives this notice to rescind and remain on DA service. After the third business day, my election to return to bundled service is irrevocable.

Required Customer Information:

Name on Account:
Service Account Number:
Service Address:
City, ZIP:
Customer's e-mail address:

***Note:** For customers providing notice for more than one service account please use the supplemental account list provided on Attachment A to list the additional service accounts. An electronic spreadsheet may be submitted to list additional service accounts in lieu of Attachment A*

Supplemental Account List**

Important: All Service Accounts on the Supplemental Account List must be for the same customer of record (a customer of record will be distinguished by the Federal Tax Identification number listed in SDG&E's customer information system). Any Service Accounts which are not under the same Federal Tax ID must be submitted on a separate Notice Of Intent or the Service Account(s) will be rejected.
