Resolution No. _____

**STATEMENT OF APPLICANT'S
CONTRACT ANTICIPATED COST
FOR APPLICANT INSTALLATION PROJECT**

Project Name

DPSS Project Number

Work Order Numbers

The Applicant's contract anticipated costs will be compared with SDG&E's estimated refundable costs for the same work, the lower of which will be used to determine the amount subject to allowances and refunds in accordance with SDG&E's Gas and Electric Rules 15 and 16. If the Applicant chooses not to provide its costs, it must complete the last section of this form and return to SDG&E. SDG&E will not proceed with the contract development, or any construction work, until the Applicant either provides these costs, or returns this form indicating that they decline to do so.

Gas Main & Service Extensions

Applicant's contract anticipated costs include the trenching costs for a gas only installation, the incremental trenching costs to modify the trench to accommodate the installation of gas facilities for a joint trench installation, and the labor and equipment necessary for the installation of pipe, fittings, and valves. Applicant's contract anticipated costs DO NOT include the material provided by SDG&E, the connection to the existing gas facilities, or the gas meter installation which is performed by SDG&E.

SDG&E's estimated refundable cost for gas main extension is \$_____ and service installation is \$_____.

Applicant's contract anticipated cost for gas main extension is \$_____ and service installation is \$_____.

Underground Electric Line & Service Extensions

Applicant's contract anticipated costs include labor and equipment for the installation of cable, connections and pad mounted equipment other than transformers. Applicant's contract anticipated costs DO NOT include customer's trenching, conduit, backfill, excavation or installation of substructures, concrete encasement, street repair, or street lights. Does NOT include the material provided by SDG&E, installation of transformers, connection to the existing electric facilities, or meter installation which is performed by SDG&E.

SDG&E's estimated refundable cost for electric line extension is \$_____ and service installation is \$_____.

Applicant's contract anticipated cost for electric line extension is \$_____ and service installation is \$_____.

Overhead Electric Line & Service Extensions

Applicant's contract anticipated costs include labor and equipment for the installation and/or removal of poles, cross arms, wire, pins, insulators, guying and anchors. Applicant's contract anticipated costs DO NOT include the material provided by SDG&E, installation of transformers, connection to the existing electric facilities, or meter installation which is performed by SDG&E.

SDG&E's estimated refundable cost for electric line extension is \$_____ and service installation is \$_____.

Applicant's contract anticipated cost for electric line extension is \$_____ and service installation is \$_____.

Customer Approval

- I declare under penalty of perjury that the foregoing is true and correct.
- I have selected the Applicant Installation option, however, I choose not to provide my contract anticipated costs and acknowledge that SDG&E will use its estimate of the refundable costs when preparing the Line Extension Contract.
- I have selected SDG&E as my installer. N
